Camping Rules Amarin

- RECEPTION DESK:** The reception desk opening hours are between 7 and 22 o'clock. Each camper is obligated to register at the reception desk (entrance ramp) upon arrival and submit personal identification documents. Upon registration the camper will receive a pass which has to be shown on every entering and leaving the camp. Unregistered campers shall be charged a fee in the amount of 1000 kuna for violating the safety of other campers and the damage caused to the camp. Discount cards (Camping Carnet International, Camping Card Scandinavia et al.) have to be submitted during the first registration.
- PARCEL SELECTION:** Campers may choose a camp-site within the camp freely, except for the numbered parcels. Upon selecting a camp-site the camper is obligated to pick up identification or a parcel number and display it in a visible place on the caravan or tent. For unmarked tent/caravan (2 hours upon arrival to the camp, at the earliest) the guest will be charged the price of a 24-hour stay. Please obey the limits of the numbered parcels, and connect your caravans or tents only to one electrical outlet. In the unmarked part of the camp the maximum surface area of a camp-site allowed is 100 m². Campers have to place their caravans/tents 2-30 m apart from one another at the least. It is forbidden to perform concrete works, build walls, install kitchen appliances and build structures for installing sunshades above caravans.
- PUBLIC ORDER:** Quiet time lasts from 14 until 16 o'clock and bedtime from midnight until 7 in the morning. The campers are asked not to disturb other guests, especially during quiet time and bedtime when motor vehicles are not allowed to drive in and out of the camp and TVs, radios and using other appliances that may produce noise is forbidden as well. Adults are responsible for their children's behaviour, maintaining peace and order in the camp, and they are obligated to supervise their children when they are using sanitary facilities. Cutting trees and bushes and harming plants in any other way is forbidden. Damage done in the camp area will be charged. Following traffic rules inside the camp is obligatory. Maximum speed limit for motor vehicles is 20 km/h.
- HYGIENE:** Dispose of garbage by throwing it into containers intended for garbage disposal. Before leaving, please leave the camp-site as it was when you arrived (free of garbage, rocks and other material). We will charge campers for items left on the camp-site according to the fee as specified in the price list.
- PETS:** Every dog has to be on a leash. A pet owner is obligated to pick up his pet's excrement and put it into a specially marked container. Showering dogs by using beach showers is not allowed. Beach intended for pets is marked on the camping map. Dogs are allowed to swim in the sea only at beaches intended for pets. For violating the rules of conduct damage will be charged according to the existing price list.
- MONEY AND VALUABLES:** We recommend putting them in the safe deposit box at the reception. That is the only way we can guarantee their safety.
- MAIL:** Arrives every day around 13 o'clock, except on Sundays, and can be picked up at the reception desk. Telegrams and fax messages will be delivered only in case of emergency. If you find lost items - forgotten items - please hand them over at the reception desk.
- VISITING FRIENDS IN THE CAMP:** Visits are allowed only on foot. Please, park your car near the entrance ramp. If you are planning on staying longer than one hour, you have to buy a ticket. The provisions of these rules of conduct apply to all visitors.
- BOATS AND ACTIVITIES AT SEA:** Boat owners have to register their boats with the Port Authority. For scuba diving special license is required. To starting your boat engine you have to be 200m from the shore at the least. Waterskiing and boat riding is not allowed in the swimming zone.
- DEPARTURE:** On the day of your departure please leave your accommodation unit at noon, at the latest. If you leave your parcel/camp-site after 12 o'clock we will charge you an extra day. You may ask for the final invoice including costs of all services on the day of your departure, however, we advise you to that a day earlier to avoid waiting. The cash register's opening hours are 07 - 21h. Please show the final invoice at the ramp when leaving the camp.
- THE FOLLOWING IS STRICTLY FORBIDDEN IN THE CAMP AREA:** starting an open fire, bringing in explosives and flammable substances, parking on the road, washing laundry in the area for washing dishes, anchoring boats at the beach, washing vehicles and boats outside the areas specially intended for that purpose, disturbing peace, taking photographs or recording videos (that does not apply to friends and acquaintances)..

These rules of conduct exist for your safety and in order to assure your pleasant stay. The camper who breaks the rules of conduct or disturbs others may be asked to leave by the management. The Complaints Book is at the reception. Thank you for your attention and we wish you a pleasant stay.
